=

Fabric Guides to Mistake-Proof & Grip Strips to Slip-Proof both 12" & 24" Rulers:

+

2 Guide Lock Strips to lock 24" Fabric Guide in place when lining up to the fabric:

Instruction sheet

### Grip Strips

QR-GS **Retail: \$9.95**

**The Best Non-Slip Solution for rulers and templates**

Six 12" strips

-  Crystal Clear
-  Cut to any length or bend them along curved edges.

-  Slides easily over your fabric but just a little pressure locks your ruler in place.

-  Repositionable: Leaves no sticky residue.

### Finger Guards

GL-FG **Retail: \$14.95**

Two 12" Guards. Use one on a 12", two on a 24" long or 12" square ruler.

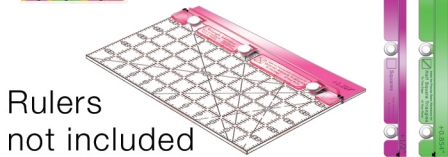

**Easy to attach. Easy to remove.**

**Seam Allowance Additions with built-in finger guards for Squares, HSTs & QSTs.**

QR-SAA

**Retail: \$24.95**

**Seam Allowance Addition for HSTs with built-in finger guard**

QR-HSTA **Retail: \$9.95**

Adds 0.854", the exact seam allowance amount, to the edge of your 12" long ruler.

**Seam Allowance Addition for QSTs with built-in finger guard**

QR-QSTA **Retail: \$11.95**

Adds 1.207", the exact seam allowance amount, to the edge of your 12" long ruler.

**Quilt Ruler Connector**

QR-CNX

**Retail: \$11.95**

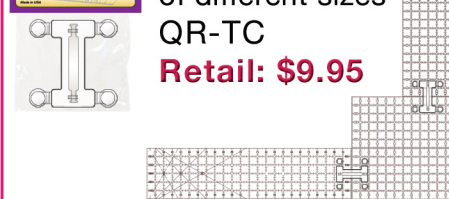

**For regular rulers**

**Connector / Handle for Templates & Rulers of different sizes**

QR-TC

**Retail: \$9.95**

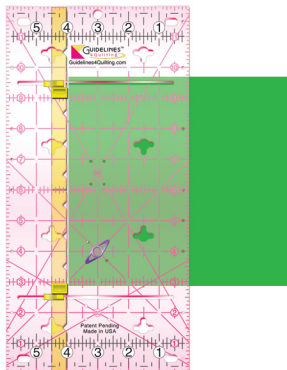

**Plus 2.5" Add-On with built-in finger guard**

QR-P25A **Retail: \$14.95**

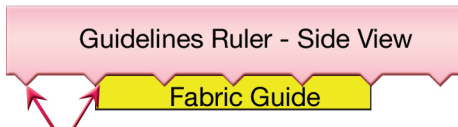

Attach to the edge of your 6" or 6½" wide ruler to make up to 8½" squares.

### Guidelines Ruler GL-612 **Retail: \$19.95**

● Built-In Fabric Guides catch the fabric's edge for perfect alignment.

● **Raised Measurement Lines** underneath the Ruler lock into grooves in the Fabric Guide, ensuring accurate alignment.

### ● CONNECTABLE in three ways:

● Absolutely Non-Slip with Built-in Grip Strips.

● Made of Polycarbonate, virtually unbreakable, un-nickable & unchippable.

3-foot ruler to cut bias-binding strips

You'll never have to carry or store a ruler that's too big to fit anywhere.

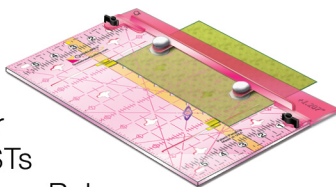

It makes it so easy to square up fabric or large quilts, using two or three rulers connected as a corner square.

### Seam Allowance Additions with built-in finger guards for Guidelines Rulers GL-SAA **Retail: \$24.95**

Add the exact amount of seam allowances for Squares, HSTs and QSTs on the edge of Guidelines Rulers.

### Guidelines Ruler Connector GL-CNX **Retail: \$11.95**

**For Guidelines Rulers Only.**

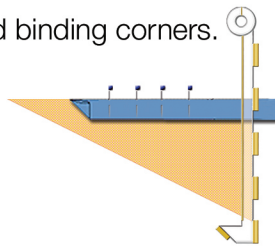

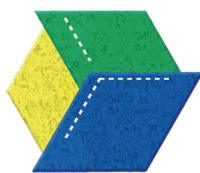

### Prep-Tool GL-PT

**Retail: \$11.95**  
comes with 8-page booklet & a seam guide

### Point trimmer & Scant 1/4" Seam Allowance Tool

● Sew consistently accurate scant 1/4" seam allowances.

- Mark seam lines for precise set in seams & mitered binding corners.
- Trim triangle points for perfect piece alignment.

### 6-Pack Seam Guides GL-PTSG **Retail: \$2.99**

1/2" x 2" x 1/32" seam guides. Reusable & Removable. Leaves no sticky residue.

Use with the Prep-Tool to sew consistently accurate scant 1/4" seam allowances.
